Doctor Mubashir Ahmad Farooqi:

I have sent to you an email to your email address that is binded in this web presence folder:

I AM 1000% SERIOUS HERE AND THERE IS ABSOLUTELY NOTHING THAT CAN PERSUADE ME TO LOSE THIS PLACEMENT BY INTIMIDATION!

[ That has already been used against me --- and it failed to stop me -- it was a message to "shut the fuck up" in this conspiracy to which I continue to have the courage to ignore such tactics. I aim to break this conspiracy and conduct a methodology that ensures that any new commitment agreements stick forever.

-----

The Folder Name [ Email-Address-Here ] already has a direct address name folder -- that is blank.

Please do not underestimate my commitment to my mission work. That commitment is absolute.

Please do not question my absolute forging forward with perhaps a big bump in your road of life to deal with. A bump well worth the ride, I promise you if we do in fact take this time to unite for my mission work of peace. You can say, no! or NO!!!! or yes, and I will make it your day of understanding that your presence can be taken out of this light and moved to a view of invisible placement --- or make it known to the world --- you support me in all of this effort --- and become a visible presence on #Kramobone.The-Good.

<http://meme.gruwup.net/%23Kramobone-The.Good/>

There are 6 students of learning attached to this network from the time I had in Denver attempting to bring this mission messages into an "adult-oriented consent practices school" -- it is my goal that those who have made wrongdoing their life goals -- are reprimanded by Doctor Reprimands --- if you can do that --- so be it best -- they ignore every wits end -- to allow their web presence remain @fuckeduphuman.net for no common rational sense can break them --- they are psychopaths!

What is the legacy of your web placement --- you have a choice to join them too --- or repair this insanity and replace it with your kind of doctor mind.

I do not think badly of you -- I actually like you -- I think you are a kind doctor at heart.

You will be bestowed honor here --- I guarantee that you will make a mark of all time marks that represent that you could indeed make it in the history books.

The time is now.

Choose Sides --- Them or me?

They want it to make it WAR!

INFORMATIONAL WAR IS MY SKILLSET --- would not want to see you harmed in the cross-fire --- you are protected that I know what the fuck I am doing -- to the creation of a trust binding network.

Mubashir Farooqi @FUCKEDUPHUMAN.NET

On May 20th 2019 at around 11:15 am, you were confronted by a circumstance that you actually did the predictable wrong actions instead of correct adaptive thinking.

<http://webdomains.fuckeduphuman.net/inlandpsych.com/Mubashir.Ahmad.Farooqi.Md/>  
 In such I was waiting for when you would show your true colors in all of this mess.

A great disturbance in "The Force".  
 The collective force of #SocialTrust.

Your profession has established a paradigm that has actually caused distrust to fester without true trust being built. I am just the messenger of your disordered pretense that you think me weak to not challenge this to it's final smashed up smithereens dust.

You all are killing. Killing, making our society worse by this system of "hate" I state that you instill to never change.

I am that beacon of change and I am your patient who needs your conscience to reflect upon the predicament you are in.

My mind is sound. My mission profound. Do you believe the world is round?  
 Science Deniers Don't Believe In Change.

**Doctor Mubashir Farooqi:** I actually like you. You seem to be a nice doctor who is caught into the intermix of what actually to do in the case of your patient calling for change everywhere wellness you think you hold. You hold a key aspect of change that must be told of the actual truth in our world. You might have thought you were not to be included in such address of changing need. That is because you and I are not speaking on the same paradigms. My mother holds the understanding and knows the exact level of my pressing this out and she dropped the ball to defend her son when it came time to confront the conditions that POPE FRANCIS calls to our nation to act on. This is that you are effecting me and interfering in my life abilities. There can be no more excuses why... #ConspiracyExposedTerminatesASAP is left standing without being smashed to smithereens.
